Summary

I am a software developer passionate about developing interactive, user-friendly websites. The tools I use include Html, CSS, Bootstrap, Tailwind.css, JavaScript, Typescript, React.js, Next.js, Git/Github, Node.js, SQL, NoSQL, and MongoDB. I graduated from Gwinnett Technical College with a degree in Web Design and Development. Check out applications I developed @ <https://nsikan-portfolio.vercel.app/>.

CryptoTracker @ <https://cryptocoins-tracker.vercel.app/>

This is an application that takes data from the Coingecko API and uses the QuickChart.io API to display a dynamic graph that changes as the data changes. It also includes many common features so brings the app to the next level. It is built using Next.js (React.js), TypeScript, Tailwind.css, NoSql, and MongoDB.

Ramsey Investment Calculator @ <https://ramsey-investment-calculator.vercel.app/>

This is an application that calculates the estimated retirement savings of an individual based on user input. A chart is also generated dynamically using the QuickChart.io API to demonstrate when the user becomes a millionaire. It is built using Next.js (React.js), Typescript, and Tailwind.css.

Gwinnett Diner @ <https://gwinnett-diner-v2.vercel.app/>

This was the capstone project of my associate's degree at Gwinnett Technical College. It is an eCommerce site for a fictitious restaurant name Gwinnett Diner. I worked with 8 other students to get the application done. I was a developer alongside 2 other students. Other titles included testers and designers. The project was made up of 4 sprints. We met regularly to share how our portion of the application was developing. It is built with Next.js(React.js), Typescript, Tailwind.css, Bootstrap, NoSql, MongoDB, agile development and scrum development.

Experience

Project Manager - Intern

Digital Media House

Sep 2021 - Present (9 months +)

Tested sites and gave feedback to partner developers to boost site's user interface and user experience.

Walmart Associate

Walmart

Jan 2020 - Present (2 years 5 months +)

Education

Gwinnett Technical College

Associate of Applied Science, Web Site Design and Development

Jan 2020 - May 2022
